Prices

To determine size in square inches, measure quilt top in inches, length times width.

Square Inches x Price = Estimated Fee

MINIMUM ORDER: \$35

Other Charges – Additional charges may apply at the rate of \$15 per hour:

- ✓ backing fabric requires piecing
- ✓ repairing seams
- ✓ squaring back
- ✓ extensive pressing or thread trimming necessary to begin quilting
- ✓ re-mount required for special border treatments
- ✓ special thread charges

One top thread and one bottom thread included in quilting charges. Color changes incur additional cost of \$2.00 per color. Metallic and specialty threads are available and will be charged at actual cost (ask for quote).

You will be notified beforehand of any changes to your estimate or if any additional charges will be added to your total, so you can decide whether or not you wish to proceed with your order. Our fees will not exceed 10 percent more than our final quote at any time.

Return Shipping – our regular return shipping is with USPS priority and will be invoiced at actual cost. Insurance extra – please indicate the amount your quilt should be insured for upon return to you.

Services Available

A- Custom – designs may include stitch-in-the-ditch work, separate border treatments, individual block designs, and stippling.

Prices begin at \$0.02/sq. in.

B- Overall Pattern – includes freehand designs that are quilted over entire quilt, including various meandering techniques.

Prices begin at \$0.015/sq. in.

C- Edge-to-Edge quilting – one continuous pattern of your choosing, quilted over entire quilt from edge to edge. Some of our pantograph patterns fit into this pricing category.

Prices begin at \$0.01/sq. in.

D- Basting – top, batting and backing are put together using an elongated stitch in a 4- to 6-inch grid or similar pattern to prepare your quilt for hand quilting. Perimeter will be stitched within 1/4-inch seam allowance, if preferred.

Prices begin at \$0.005/sq. in.

Binding – will be made with fabric you provide.

1 - Half-binding means the binding will be made and attached with mitered corners to the front of your quilt.

Price: \$1.50 per lineal foot.

2 - Full binding means the binding will be attached with mitered corners to the front of your quilt and hand-sewn to the back with a matching thread.

Price: \$3.00 per linear foot.

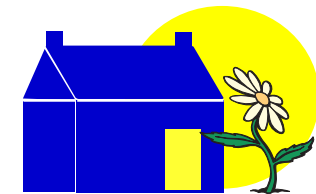

To Prepare Your Quilt

Back and batting must be at least 6 inches longer and wider than quilt top. Seams should be pressed, and all loose threads trimmed. Do not baste quilt in any way. Place a safety pin at the center of the top edge of quilt top and backing fabric.

For your convenience, we carry the following batting. If you are not supplying your own, please choose from the following:

- Quilter's Dream white
- Quilters' Dream unbleached
- Midnight Dream poly (black)
- Warm & Natural white
- Warm & Natural unbleached
- Hobb's 80/20 white
- 100% polyester white
